Kōrero from Michaela Tumuaki/Principal

Tena koutou katoa, nga mihi nui kia koutou katoa. Greetings parents, whanau, and members of our school community.

I know I have promised not to mention the dreaded 'C' word in our newsletters, but I am sure that the slight relax on red level rules has meant that some of you will be benefiting from the opening of the border to Australia. I know I have.

My cousin, who is like my sister, has visited from Melbourne for the first time in two and a half years and she kindly brought my father up to visit our school. It takes fresh eyes sometimes to realise what a gem we have here. They were both so complimentary, first, of the incredibly relaxed, happy friendly children and then of the friendly staff and the drop-dead gorgeous surrounds. It made me realise that we really are the best kept secret in the Waikato!

Feeling blessed in so many ways and proud of a community that supports this precious piece of educational history. We will soon see you back in the kura contributing and supporting the most precious resource we have.

Ngā mihi nui koutou, Michaela

Ukraine Refugee Fundraiser

Thank you Te Miro community for putting a great effort into supporting Ukraine by donating an incredible amount of money, knocking down our goal of \$450 exceedingly! It was great to see students of Te Miro really supporting the cause. We were totally blown away that the total amount of donations came to a whopping amount of \$1030 which is approximately 650 euros! Enough to save two families in need! Beautiful sunflower decorations made by Rata class were displayed at the front of the school, as well as a few cheerful kids with a donation box that was gladly filled. Throughout the day the Rimu class made some more stunning sunflowers drawn and painted that were hung on the windows and trees.

A parade and school photo was out at the front of the school at nine o'clock and there were some glorious outfits designed. Every student brought a plate of food as had been asked for the shared morning tea. That was DEFINITELY enjoyed!

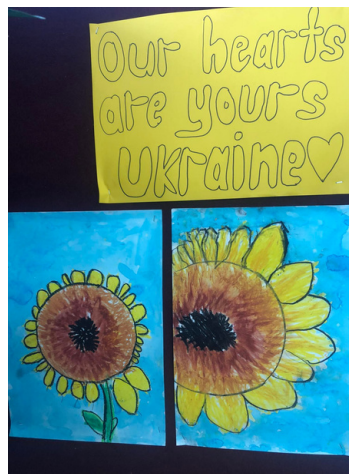

We give a special thank you to the school reps and Michaela for making this wonderful day possible. If you would like to help a family from Ukraine, research Sid Carter, the founder of this cause. By Ari (School Rep)

Rata

Our hearts are yours Ukraine

Rata, your sunflowers are beautiful. You have all done so well with the colours and shading. I bet there was lots of good discussions about Ukraine in the classroom.

Real Estate - by Taylor

This home is a comfortable, yet functional mansion with amazing sights of the city. It's located on the outskirts of town, nestled in the tallest mountain peaks of the area. This home includes 3 large modern bathrooms, (one being an ensuite), 4 bedrooms containing king sized beds, all coordinated with colour schemes of cream, white, and dusty browns.

A luxurious living room, with soft couches, that will make you fall asleep in an instant. An eating hall (this will come with your favourite restaurant owner.) Your own theatre! Your own office which includes sound proof walls, a tech room, training room and a prison able to fit 15 people at one time.

This house has been designed by professional architects, with no bounds what-so-ever. It comes with amazing security, cameras are located in every nook-and-cranny, with an eye scanner at the front door. As you walk onto the roof, plants are flourishing the sides and in the middle, your very own...Private Helipad! It's just waiting to be used...

Drive down this weekend to 182 Wood Road. One time ONLY offer; you will not see a home this great again. Come and name your price, and we'll negotiate. Don't miss it...

Contact Taylor for more information at:

How to become a super Hero

1. Work out, get real strong and beat up lots of bad guys.
2. You will want a good outfit, preferably one that matches your superpower.
3. Get extremely rich so you can buy anything you want.
4. Get a superpower. What you pick is up to you. You also want your superpower to be obvious like Flame Man.
5. If you're out of ideas you can base it off an animal or something like that.
6. Okay I know this is going to sound weird but you have to have an enemy like a bad guy or someone like that.
8. Okay you're a superhero - now do you like it?
Leif - Year 6.

Autumn Harvest

Gosh we are finding things hard without our lovely parents to help out when we have these wonderful celebrations, and Autumn Harvest Festival at school will be no different.

Next week, we ask tamariki to bring in some apples or feijoas if they have some on their trees, and they set about making apple and feijoa crumble. The table is set and we all sit down to a formal afternoon tea reflecting on the food we harvest in Autumn and how lucky we are to have an abundance.

Fun fact about wai (water)

Did you know that the name "Waikato" comes from Maori and translates as "flowing water". The Waikato river is the longest river in the country at 425km, and travels from Taupo through to Port Waikato and out into the Tasman sea. It has special a spiritual significance to Maori.

Jobs around the school

We have a number of little jobs that need doing around the school. If you have a minute, we would love you to help us keep up appearances.

- Ngahere (bush area) talk to Laura about pulling the iris, wandering jew and blackberry
- Clearing a space for our tree planting ceremony
- Trimming the box hedges around the school
- Trimming the grass edges of the path
- Painting
- Cutting down a couple of trees
